AIM

The aim of the course is to train participants on NATO's doctrine, terminology and guidelines for munitions management and safety (MM&S), and to provide a venue for the participants to exchange information on best practices in this field.

LEARNING OBJECTIVES

- * Get familiar with UN & NATO doctrine and terminology related to and guidelines for MM&S.
- * Exchange national best practices related to MM&S.
- * Improve personal technical competencies in MM&S processes.

REMARKS

- * Duration: 1 week.
- * Seat allocation: Up to 50 participants.
- * Participants should be all rank officers, NCOs (OR-7 and above) and equivalent civilians.¹
- * The course is open to NATO, Pfp, MD, ICI and Partners across the Globe (PatG) members and countries that Türkiye has bilateral relationship.
- * 32 participants from 10 different countries have attended the course since 2024.
- * Dress code: Daily uniform or combat uniform in classroom.
